Reference is made to our memorandum of November 2, 2007, in which we apprised Your Honor of the ongoing delay in the presentence investigations of the co-defendants in this case.

The delay in the presentence investigation also applies to the above-named defendant. In view of the scheduled sentence date and our obligation to the Court to conduct the presentence investigation and timely disclose the report to all parties, we respectfully request an adjournment of the sentence date until such time that the Government is able to provide the information to allow the investigations to proceed.
